COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for White Slough Water Pollution Control Facility
Holding Pond No. 2 Embankment Rehabilitation (\$55,530)

MEETING DATE: September 6, 1995

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to Don Lawley Company of Stockton in the amount of \$55,530 (Base Bid plus Bid Alternates 1 and 2).

BACKGROUND INFORMATION: This project consists of reconstructing the east, south and north levee embankments of Pond No. 2 and refacing them with riprap, and other incidental and related work as shown on the plans and specifications for the project.

Three bid alternates were included in this bid proposal. Bid Alternate 1 reduced the thickness of the riprap by 6 inches, Bid Alternate 2 asked for a price to furnish and install a geotextile fabric under the riprap, and Bid Alternate 3 was to install 6 inches of sand and gravel under the riprap. Staff is recommending that Bid Alternates 1 and 2 be included in the award of this contract. A copy of the bid tabulation sheet is attached showing the base bids and alternate bid prices for each of the contractors.

Plans and specifications for this project were approved on August 16, 1995. The City received the following three bids for this project:

MEMORANDUM, City of Lodi, Public Works Department

To: City Manager
City Council

From: Public Works Director

Date: September 11, 1995

Subject: Engineering Costs on the White Slough Pond
Embankment Rehabilitation Project

At the Council Meeting of September 6, 1995, Councilman Davenport requested the amount paid to DJH Engineering for the preparation of plans and specifications for the subject project. The amount expended for engineering was \$3,900. This amount is approximately two percent of the engineer's estimate, or seven percent of the low bid, as shown on the attached Council Communication.

The engineering work, i.e., plans and specifications, can also be used on future embankment rehabilitation projects at White Slough.
